

REMARKS

Claims 13-27 were examined and reported in the Office Action. Claims 13-23 are allowed. Claims 24-27 are objected to. Claims 13-27 remain.

Applicant requests reconsideration of the application in view of the amendments and the following remarks.

It is asserted in the Office Action that Claims 24-27 are objected to due to informalities namely, Claim 24, line 5, "brake" is misspelled. In response, Applicant has amended Claim 24 correcting the misspelling, the Examiner noting Claims 24-27 contain allowable subject matter, however, are objected to, due to a misspelling as indicated above.

Approval is respectfully requested.

Applicant appreciates the Examiner's indication that Claims 13-22 are allowed over the prior art of record.

In view of the foregoing, it is believed that all claims now pending, namely Claims 13-27 patentably define the subject invention over the prior art of record and are in condition for allowance and such action is earnestly solicited at the earliest possible date.

If necessary, the Commissioner is hereby authorized in this, concurrent and future replies, to charge payment or credit any overpayment to Deposit Account No. 02-2666 for any additional fees required under 37 C.F.R. §§ 1.16 or 1.17, particularly extension of time fees.

Respectfully submitted,
